FAQs about Belt Testing

Am I ready to test?

If you have all of your stripes, then you are ready. If you don't have all of your stripes and you need additional help, come see Mr. or Mrs. Martin about a free private class.

Can I test early?

We had a lot of students that had to test early last testing because of the holiday. However, you cannot pre-test two times in a row. Testing is a regional event and every student benefits from testing. If

you are unable to attend, you must let us know so that we can schedule a time for you to pre-test.

Did I pass my testing?

After testing, everyone always wants to know if they passed. If you did NOT pass, we will call you before the promotion ceremony. If you do not receive a phone call, then you passed.

If anyone has any other questions, please don't hesitate to ask!

Belt Testing

As most of you know, we had our first regional belt testing in April and it was a huge success. We are very proud of everyone who tested and how our school was represented.

By testing as a region it will give all of our students a better opportunity to be challenged by someone their age and rank and to meet other

students from different schools around our region.

All students who are testing must wear their full white uniform (no t-shirts or colored pants are allowed).

Testing will be held on Saturday, June 12th at Covenant Church of Harrisburg. All students who intend to test must pre-register and pay by

Wednesday, June 9th (there will be a \$5 late fee for all students who pay after Wednesday). If you would like to test but do not have all of your stripes, come see Mr. or Mrs. Martin about a free private class to get ready for testing.

There will be **NO CLASSES** Monday June 14th- Wednesday June 16th.
